Parent Questions:

Did City to Saddle meet your expectations?

exceeded my expectations!

Did City to Saddle enhance your child's self-confidence, self-discipline, patience and compassion? Do you think the program influenced your child in any other way?

- self-confidence increased -
- new respect ^{for} and awareness of the work
involved in horsemanship

Did you feel you had sufficient and appropriate information about the program prior to sending your child to camp?

yes

Would you encourage others to participate in this program?

yes, absolutely!

What could we improve?

Everything was great, would love to see more programs/opportunities.

How long would you be willing to travel to a City to Saddle location?

~ 1 Hour

May we have your permission to quote you and/or use your child's photo in our presentation materials?

Yes

No

Child Rider Questions:

Did you like the City to Saddle Horsemanship Camp?

yes! love it

What was your favorite part?

riding new horses

What was your least favorite part?

volting, its a little bit scary

→ Maybe an opportunity to "earn" a helmet/more lessons by working/volunteering at a site,

Would you like to ride again?

yes!

What did you learn?

that if you fall you
have to just keep trying
and get back on that horse,

Would you encourage your friends to try riding?

yes, definitely

Were you happy to come to camp each day? Did you feel comfortable?

yes, I felt very
excited

I felt comfortable
except when I fell off
the horse,

What is your best memory of the City to Saddle Horsemanship camp?

trotting on Dixie

Campers! On the following page, please draw a picture of you riding your favorite horse, grooming, or doing something else you enjoyed at camp. You will be able to see these drawings on our web site in the coming months. www.citytosaddle.org

Thank you! Your comments will help us greatly as we continue to develop this wonderful program that brings the joy of horses to urban youngsters.

yes, abso. l
